Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

11 March 17, 2015

  
PATRICK OZAWA  
ACTING EXECUTIVE OFFICER

**TEN-YEAR LEASE RENEWAL  
PUBLIC LIBRARY  
6600 EAST DEL AMO BOULEVARD, LAKEWOOD  
(FOURTH DISTRICT)  
(3 VOTES)**

**SUBJECT**

A ten-year lease renewal for the Public Library to provide continued use of 7,100 square feet of Library space and 23 on-site parking spaces.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the proposed lease renewal is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board of Supervisors, per Section 15301 of the State of California Environmental Quality Act Guidelines (Existing Facilities).
2. Approve and instruct the Mayor to sign the ten-year lease renewal with the City of Lakewood (Landlord) for the Public Library to occupy 7,100 square feet of office space and 23 on-site parking spaces located at 6600 East Del Amo Boulevard, Lakewood, at an initial annual rental cost of \$26,982.
3. Authorize the Interim Chief Executive Officer and the County Librarian to implement the project. The lease will be effective upon approval by the Board of Supervisors.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Public Library has occupied the facility since 1972, and has a continued need for a library in this area. The existing lease expired July 29, 2012, and the Public Library is currently occupying the premises on a month-to-month holdover basis. The Public Library operates the George Nye Jr. Library (George Nye Library) serving the City of Lakewood (City) community and surrounding neighborhoods.

The George Nye Library is one of two County libraries located in the City, with the second location, known as the Angelo M. Iacoboni Library (Iacoboni Library) located at 4990 Clarke Avenue in the City's Civic Center. The location of the George Nye Library is desirable, situated two miles from the Iacoboni Library, on the east end of the City, serving Public Library patrons in that area.

## **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan Goal of Integrated Services Delivery (Goal 3) directs that we maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services. The proposed lease renewal supports this goal by continuing to provide library services to patrons residing in the community. The lease renewal is in conformance with the Asset Management Principles as outlined in Attachment A.

## **FISCAL IMPACT/FINANCING**

The proposed lease renewal will provide the County continued use of the library facility comprised of 7,100 square feet and 23 on-site parking spaces for an annual rent of \$26,982. The Public Library is responsible for all operating and maintenance costs associated with the County's occupancy. The Public Library is a special fund Department. The program is funded primarily by property taxes and special taxes.

Sufficient funding to cover the projected lease renewal costs for the proposed lease is included in the Public Library's Fiscal Year (FY) 2014-15 Operating Budget. Attachment B is an overview of the lease costs associated with this lease renewal.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed lease renewal will provide continued use of a 7,100 square foot library facility and 23 on-site parking spaces. Use of the facility and parking spaces will not be expanded beyond the scope of the base lease. The proposed lease renewal contains the following provisions:

- A ten-year lease renewal commencing upon approval by the Board of Supervisors.
- A modified-gross or split-service lease whereby the County is responsible for the operational and janitorial costs and some building repairs of the facility and the landlord is responsible for the major building maintenance and repairs as specified in the lease.
- A cancellation provision whereby either party may terminate anytime, upon the City's withdrawal from the County Public Library system.

The Chief Executive Office (CEO), Real Estate Division staff conducted a survey within the service area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the survey area that could suitably accommodate this requirement more economically, nor are there any County-owned or leased facilities available for this program. Based upon said survey, staff has established that the rental range for similar space is between \$18.00 and \$30.00 per square foot per year on a modified-gross basis. Thus, the base annual rental rate of \$3.80 per square foot per annum for the proposed lease, including parking, represents a rate well below the market range for the area. Attachment C shows County-owned or leased facilities available for the program.

The Department of Public Works inspected this facility and found it suitable for County occupancy. The building was not surveyed for compliance with the Americans with Disabilities Act (ADA) by the County, as the City conducted their own internal inspection and will address ADA items where they are able to comply. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.

A child care center is not feasible for the department in the proposed leased premises. The proposed lease renewal will provide a central and appropriate location, which is consistent with the County's facility location policy adopted by the Board of Supervisors on July 24, 2012, as outlined in Attachment D.

#### **ENVIRONMENTAL DOCUMENTATION**

The CEO has concluded that this project is exempt from the California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board of Supervisors, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed lease will adequately provide the necessary space for this County requirement, and the Public Library concurs with the recommendation.

**CONCLUSION**

It is requested that the Executive Office, Board of Supervisors, return two originals of the executed lease, two certified copies of the Minute Order, and the adopted, stamped Board letter to the CEO, Real Estate Division at 222 South Hill Street, 3rd Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

## FACILITY LOCATION POLICY ANALYSIS

**Proposed Lease:** Ten-Year Lease Renewal for the Public Library–6600 East Del Amo Boulevard, Lakewood – 4<sup>th</sup> District – cancellation provision at any time upon the City of Lakewood's (City) withdrawal from the County Public Library System.

**A. Establish Service Function Category** – Local public service function.

**B. Determination of the Service Area** –The proposed lease will allow the Public Library to continue to operate their library facility serving the residents of the City and surrounding area.

**C. Apply Location Selection Criteria to Service Area Data**

- Need for proximity to service area and population: Public Library programs are located throughout the County serving all geographic areas for its consumers, providers and stakeholders. The proposed lease site is located in the City, two miles from the Iacaboni Library in the same City.
- Need for proximity to existing County facilities: The library is located in the City, two miles East of another County Public Library, the Iacaboni Library.
- Need for proximity to Los Angeles Civic Center: N/A
- Economic Development Potential: The City was the State's first "contract city" providing most of their municipal services through contracts with County agencies, regional service providers, and private industry. Today, the City continues to contract for services, providing flexibility to the City. The economic base of the City is primarily commercial and retail with almost 3,000 businesses and continues to promote a business friendly environment with their "Shop Lakewood and Stay Lakewood Loyal" efforts.
- Proximity to public transportation: The City offers various Public transportation options, which include the Long Beach Transit bus system, the Metro Blue Line station located near the 710 Freeway, and proximity to the Metro Green Line.
- Availability of affordable housing for County employees: The City is predominantly owner-occupied (about 72 percent in 2010), and predominantly a single-family community with 85 percent of its housing units being single-family detached structures. The City has affordable housing, including assisted-housing programs such as Section 8 to help make rental housing affordable for low-income families.

- Use of historic buildings: N/A
- Availability and compatibility of existing buildings: There are no existing County buildings available to meet the Public Library's service needs.
- Compatibility with local land use plans: The City of Lakewood has been active in maintaining their infrastructure and preserving their neighborhoods with programs for neighborhood and park improvements as part of the City's master plan, and in 2012, completed a program to repave all residential and arterial streets in the City. The Department of Public Works inspected the facility and found it suitable for County occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.

Estimated acquisition/construction and ongoing operational costs: The annual base rent of \$26,982 comprises the annual lease costs for the facility. The Public Library has sufficient funding in its Fiscal Year 2014-15 Operating Budget to cover the proposed lease costs.

#### **D. Analyze results and identify location alternatives**

Based upon the space and service needs of the Public Library, staff surveyed the immediate area to determine the availability of comparable and more economical sites.

Based on a survey of the area, staff established the annual rental range for similar space is between \$18 and \$30 per square foot per year on a modified gross basis, including parking. Therefore, the proposed annual rent of \$3.80, including parking, represents a rate well below the market range for the area.

#### **E. Determine benefits and drawbacks of each alternative based upon functional needs, service area, cost and other Location Selection Criteria**

The Public Library has occupied this facility since 1972. The facility and location continues to adequately meet the needs of the Public Library, which is consistent with the County's Facility Location Policy adopted by the Board of Supervisors on July 24, 2012.

(c) Tenant Obligations. Without limiting Landlord's Obligations, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing: Items mentioned in **Exhibit C**. Furthermore, any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed; (b) be at least equal in quality, value and utility to the original work or installation; and (c) be in accordance with all laws. Fixed improvements must meet all applicable codes, laws and regulations.

(d) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than ten days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an

emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall meet and confer with Landlord prior to taking reparative action. Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

#### 11. SERVICES AND UTILITIES.

This lease is a modified full service lease. Therefore, Landlord shall furnish the following services and utilities to the Premises, and Tenant agrees to pay for utilities mentioned herein:

(a) Heating, Ventilation and Air Conditioning. Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other first-class buildings and not less than the standard set forth in Exhibit C, attached hereto. Notwithstanding the foregoing, Tenant shall accept the HVAC equipment in "AS IS" condition, and shall be responsible for replacement/repair of such equipment as set forth in Exhibit C.

(b) Electricity. Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings for power and lighting and electric current for HVAC, and Landlord shall provide the existing transformers or subpanels of the Premises necessary for Tenant to utilize such capacity in the Premises.

(c) Elevators. Not Applicable.

(d) Water. Landlord shall make available water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises.

(e) Janitorial. Tenant shall provide janitorial service daily to coincide with days of operation, generally consistent with that furnished in comparable office buildings in the County of Los Angeles.

(f) Access. Tenant and Tenant's employees and agents shall have access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building. Note: City parking lot is closed nightly due to restricted overnight parking.

12. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Tenant Default") shall constitute a material default and breach of this Lease by Tenant:

(i) The failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;

(ii) The failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the Tenant Default; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

(b) Termination. Tenant agrees that if a Tenant Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

(c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD DEFAULT.

(a) Remedies. In addition to the provisions for Landlord's default provided by Section 9(d), Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within five days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10(c)); provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such five day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due; (ii) to pursue the remedy of specific performance; (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or (iv) to terminate this Lease.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

15. ASSIGNMENT AND SUBLETTING. Tenant shall have no right to assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises.

16. ALTERATIONS AND ADDITIONS.

(a) Landlord Consent. Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Landlord and Tenant shall meet and confer to discuss alterations proposed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the systems or structure of the Building;. If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

(b) End of Term. Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this

Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days nor later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

## 18. INDEMNIFICATION.

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees. Nothing in this Lease shall be construed to waive, limit or supersede any of Tenant's rights or immunities under the California Labor Code, including but not limited to a waiver pursuant to section 3864 of the Labor Code.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or

default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Landlord's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage (and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Landlord shall carry insurance on any furniture and furnishings which will become the property of Tenant at the expiration of the Term and on all modular furniture installed in the Premises. Insurance proceeds shall be payable to Landlord and Tenant as their interests may appear and be utilized for repair and restoration of the Premises.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(b) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Landlord shall be written as primary policies, not contributing with, and not in excess of coverage which Tenant may carry.

(c) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates shall include the address of the leased premises and must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than 30 days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverage or policies evidenced by the certificates.

(d) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

20. PARKING.

(a) Tenant's Rights. Tenant shall have the right to the number of exclusive reserved parking stalls set forth in Section 1 without charge for the Term of this Lease. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all other parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant users of the Building and the adjoining City park.

(b) Parking Lot Improvements. County and City agree to jointly share in the cost of renovating the parking lot which serves both George Nye Library and Mae Boyar Park. The parking lot renovation shall include reconfiguration of existing parking spaces to accommodate two accessible parking spaces with code compliant access aisles, striping, and signage. At least one accessible space shall be designated as "Van Accessible" and include code compliant signage, striping and access aisle. The accessible parking spaces shall serve both library and City program functions and shall not include any other markings. The parking lot renovation shall also include repair to correct tree root damage and re-direction of a portion of the existing water run-off swales to prevent ponding water at the accessible ramp/path of travel; repair of accessible ramp to sidewalk, removal and replacement of the north and south ends of the center concrete median to correct lifting sidewalk sections; a designated reserved location striped for the 3 yard waste disposal bin at the southern most location of the parking lot; resurfacing and restriping of entire lot. (a) Consideration of GAIN Program Participants. Not Applicable.

(b) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration and if the Landlord suspects fraud or wrongdoing by a County employee, Landlord shall report it to the County Fraud Hotline at 1 (800) 544-6861 or [www.lacountyfraud.org](http://www.lacountyfraud.org).
